Bulimba Golf Club

# ABOUT US

We are a compact 9-Hole Par 3 golf course at the heart of Bulimba. Our course is challenging for the serious golfer and a great place to have a hit for our social, recreational and junior golfers. We are fortunate to offer a range of skill development opportunities for all levels through our Australian PGA Member and All Abilities Accredited Coach, Ian Jones.

If golf isn't your preference, then we have a range of other facilities; try your hand at our weekly Quizmeisters Trivia, enjoy our many community focussed events or sit back with a beer and watch the sun set over the golf course.

All facilities are open to the public so come down, play a round and enjoy the community atmosphere.

Here at Bulimba Golf Club we are always looking for ways to connect with the businesses in our local community. We have become a very well-known golf, function and entertainment venue attracting more than 100 000 people each year - a perfect showcase for local businesses. Get in touch with us to see what opportunities there are for your business at our Club.
